

Counting 11-20 Manipulatives

11	12	13	14	15
16	17	18	19	20

11	12	13	14	15
16	17	18	19	20

Number Manipulatives can be used for number recognition, matching games, number ordering, etc. Great for visual-kinesthetic learners who need visuals or something tactile to move around. Also good for use in number lapbooks and notebooks.
